Dear Friend of Fountain Hills Charter School:

The education of our children is an enormous investment in our future. It is a fulfilling adventure to nurture and promote the well being of a child and to ensure the riches of tomorrow.

At 8:20 a.m. each weekday morning, small hands cover their hearts at the Fountain Hills Charter School. They gather around the flag to pledge allegiance to the country that helps to educate them, and gives their parents a choice of how to fulfill that goal.

Fountain Hills Charter School is a facility of approximately 200 children. Every child is an individual who receives specific attention to his or her own educational needs. Students reap the benefits from small class sizes and an extraordinarily dedicated staff. Parents and families are part of the process and are devoted to the posturing of greater academic achievement.

Arizona is the leader in charter school successes. It is a state that has a proven track record of providing opportunity to parents for their children's education. Charter schools, however, do not receive many of the financial benefits available to public schools. As a result, private contributors are essential to the continuance of our outstanding scholastic endeavors.

This spring, the Fountain Hills Charter School will hold its annual fundraiser. This is the critical school event that largely helps determine the schools ability to deliver quality educational services in the upcoming year. The funds are used for media equipment, computer resources, field trips and a multitude of other academic programs.

We are asking for your support by way of donations. Our fundraising events include silent and live auctions, and raffles where merchandise and services are needed to raise the critical funds required for our students to excel. And, as a 501c(3) organization, your donations to the Fountain Hills Charter School PTO are fully tax-deductible.

Choice is what every parent needs in fostering their children's future. Your support will help provide superior education and lead the way to a brighter tomorrow. Please accept our sincere thanks for your kind and generous donation.

Sincerely,

FHCS PTO Gala Committee
Fountain Hills Charter School

We are a parent teacher organization dedicated to the financial support and encouragement of educational endeavors of the Fountain Hills Charter School Children.
